

## FOSTERING FUN

“I never realized how rewarding it could be to take in and care for a homeless pet. This adorable 10 year old was a sick, straggly, thin stray with a seizure disorder. She needed lots of TLC while we got her feeling better. It was a wonderful experience for the whole family. Annie (now Pansy) was adopted into a super home and has a wonderful life. We feel so lucky to have been able to help save her!”

## WAG ADOPTIONS

W.A.G. adoption counselors co-ordinate the foster/adoption process. All dogs are evaluated through temperament testing and gathering background information from current owners. Dogs are then either owner fostered or placed in a W.A.G. foster home while adoption counselors find them a new home. Our dogs are listed on the internet at [www.petfinder.com](http://www.petfinder.com). Local newspapers also donate stories and pictures featuring our dogs. W.A.G. sponsors adoptions at local retail stores in Port Angeles and Sequim to showcase our wonderful dogs in search of their forever homes. Our goal is to place our dogs in the home that is best suited for the dog and the new family.

## COMMUNITY EDUCATION

W.A.G. sponsors bi-monthly meetings in which we provide education about a variety of dog/pet related issues. Our members participate in community events as well as sponsor fund raising events with fun in mind.

## POGO'S PALS MEDICAL FUND

Donations to this fund go directly to medical care for WAG dogs. Started for our special friend Pogo, and endures in his memory.

## WHAT IS W.A.G.?

- ◆ **W.A.G.** is a volunteer non-profit dog rescue organization located in Clallam County. It is a foster network which provides temporary care for dogs waiting to be adopted into loving permanent homes.
- ◆ **W.A.G.** rescues lost, neglected, abused, ill, injured or abandoned dogs. The dogs are placed in foster homes and receive medical care, vaccinations, spaying/neutering, and a microchip for identification.
- ◆ **W.A.G.** is a resource for people who feel they can no longer keep or care for their dogs. W.A.G. can offer counseling/training or placement into a new home if there is no other option.
- ◆ **W.A.G.** is operated completely by volunteers who provide foster homes, adoption counseling, education and training for pet owners, and fundraising activities.
- ◆ **PLEASE JOIN US!**
